

NORTH TEXAS GROUNDWATER CONSERVATION DISTRICT

APPLICATION FOR WELL REGISTRATION FOR EXISTING WELL (Well Drilled before April 1, 2011)

District Rule 3.4(a) requires the registration of existing wells that are not exempt under District Rule 2.1(a):

The owner of an existing well must register the well with the District between April 1 and June 30, 2011, and must install a meter on the well as set forth under Section 8 of the District rules before July 1, 2011. Failure of the owner of such a well to timely register the well shall subject the well owner to enforcement under the District rules.

Complete one application for each well.

Application date: _____

- This form may be submitted in person, by mail, or by fax -

Part I - Well Owner and Driller Information:

Well Owner: _____ Phone: _____

Contact: _____ E-mail: _____ Fax: _____

Mailing address: _____ City: _____ State: _____ Zip: _____

Registrant: (if other than Well Owner or Driller) _____ Phone: _____

Address: _____ City: _____ State: _____ Zip: _____ Fax: _____

Property Owner: (if other than Well Owner) _____ Phone: _____

Address: _____ City: _____ State: _____ Zip: _____

If Registrant is other than the owner of the property where the well is located, please attach documentation to this form establishing the applicable authority to file the application for well registration, to serve as the registrant in lieu of the property owner, and to operate the well for the proposed use.

Date/Year drilled: _____ (Please note if date has been estimated)

Drilling company (if known): _____ Phone: _____

Driller: _____ License # _____ Expiration Date: _____

Fax: _____ E-mail: _____

Address: _____ City: _____ State: _____ Zip: _____

Part II - Well Location:

Well site address: _____

Well Registration No. _____ Well Owner: _____

City: _____ State: TX Zip: _____

County: _____ Is the well currently in use? No Yes

Latitude: _____ Longitude: _____ Elevation: _____

GPS manufacturer used to measure latitude and longitude: _____

GPS model used to measure latitude and longitude: _____

Is the groundwater withdrawn from the well used in a location different from the well site?

No

Yes Location: _____

Describe use: _____

Is groundwater produced from the well transported for use at any point outside the boundaries of the District?

No

Yes Explain: _____

Part III – Primary Purpose for Water Use:

Mark (x) one box that describes the primary use of the water from the well:

- | | |
|------------------------------------------------------------------------------|----------------------------------------------------------|
| <input type="checkbox"/> Domestic Use (household/lawn watering at residence) | <input type="checkbox"/> Municipal / Public Water System |
| <input type="checkbox"/> Livestock Watering | <input type="checkbox"/> Industrial / Manufacturing |
| <input type="checkbox"/> Commercial / Small Business | <input type="checkbox"/> Golf course irrigation |
| <input type="checkbox"/> Agriculture | <input type="checkbox"/> Leachate |
| <input type="checkbox"/> Monitoring | <input type="checkbox"/> Piezometer |
| <input type="checkbox"/> Poultry | <input type="checkbox"/> Oil and Gas Activity |
| <input type="checkbox"/> Filling a pond or other surface impoundment | <input type="checkbox"/> Other: _____ |

Part IV — Well Information (if known):

Total well depth: _____ feet

Depth to first screen: _____ feet

Inside diameter of casing: _____ inches

Pump motor size: _____ hp

Maximum production capacity of the well: _____ gpm

Is this well a part of a well system that pumps more than 25 GPM in total? Check if 'Yes'.

Well Registration No. _____ Well Owner: _____

Number of service connections: _____ Well services approximately _____ individuals for _____ days out of the year.

Is a Water Well Closure Plan attached? Yes No If no, sign below as a declaration that the owner will report any closure of the well to the District and will strictly comply with the well plugging regulations of the Texas Department of Licensing and Regulation.

Signature
