

NORTH TEXAS GROUNDWATER CONSERVATION DISTRICT

APPLICATION FOR WELL REGISTRATION FOR NEW WELL (Well Drilled on or after April 1, 2011)

Registration of new wells required by District Rule 3.5(a) prior to drilling:

A well owner or well driller, or any other person legally authorized to act on their behalf, must submit and obtain approval of a registration application and submit a well report deposit with the District before any new well, except leachate wells or monitoring wells, may be drilled, equipped, or completed, or before an existing well may be substantially altered with respect to size or capacity, beginning on and after April 1, 2011.

Complete one application for each well.

Application date: _____

-This form may be submitted in person, by mail, or by fax-

Part I – Well Owner and Driller Information:

Well Owner: _____ Phone: _____

Contact: _____ Email: _____ Fax: _____

Mailing address: _____

City: _____ State: _____ Zip: _____

Registrant: (if other than Well Owner) _____ Phone: _____

Address: _____ City: _____ State: _____ Zip: _____

Property Owner: (if other than Well Owner) _____ Phone: _____

Address: _____ City: _____ State: _____ Zip: _____

If Registrant is other than the owner of the property where the proposed well is to be located, please attach documentation to this form establishing the applicable authority to file the application for well registration, to serve as the registrant in lieu of the property owner, and to construct and operate a well for the proposed use.

Drilling company: _____ Phone: _____

Driller: _____ License # _____ Expiration Date: _____

Fax: _____ E-mail: _____

Address: _____ City: _____ State: _____ Zip: _____

Part II – Well Location:

Well site address: _____

City: _____ State: TX Zip: _____

Latitude: _____ Longitude: _____ Elevation: _____

GPS used to measure latitude and longitude: Manufacturer: _____ Model: _____

Will the groundwater withdrawn from the well be used in a location different from the well site?

Well Registration No. _____ Well Owner: _____

No

Yes Location where used: _____

Describe use: _____

Will the groundwater produced be transported for use at any point outside the boundaries of the District?

No

Yes Explain: _____

Is this a replacement well?

No

Yes Indicate status of the old well: Capped Plugged (Plugging Report attached) In Use

Explain: _____

Part III – Purpose for Water Use:

Mark (x) all appropriate boxes that describe what the water from the well will be used for:

Domestic Use (household/ lawn watering at residence)

Municipal / Public Water System

Livestock Watering

Industrial/Manufacturing

Commercial/ Small Business

Golf course irrigation

Solely to supply water for rig actively engaged in drilling or exploration operations for an oil or gas well, and the water well is located on the same lease or field associated with the oil/gas drilling rig (If you check this box, is the owner of the water well the same person who holds the oil/gas well permit issued by the Railroad Commission? ___Yes ___ No)

Supplying water for oil or gas production, or supplying water to rig engaged in drilling or exploration operations for oil or gas where water well is not located on same lease or field associated with the oil/gas drilling rig

Filling a pond or other surface impoundment (check all uses above for water from the pond or impoundment)

Other: _____

Part IV — Well Information:

Proposed total depth: _____ feet

Proposed depth to first screen: _____ feet

Proposed inside diameter of casing: _____ inches

Proposed pump motor size: _____ hp

Proposed maximum designed production capacity of pump: _____ gpm

Anticipated number of service connections: _____ Well will service approximately _____ individuals for _____ days out of the year.

Is a Water Well Closure Plan attached? Yes No If no, sign below as a declaration that the owner will report any closure of the well to the District and will strictly comply with the well plugging regulations of the Texas Department of Licensing and Regulation.

Signature

Well Registration No. _____ Well Owner: _____

Non-Exempt Wells ONLY: Is the Well Report Deposit Attached? Yes No (registration will not be approved until receipt of deposit; deposit is refundable upon timely submission of well report after completion of well)

Part V — Certification:

I hereby certify that the information given herewith is true and accurate to the best of my knowledge and belief. I further certify that all water produced from the well that is the subject of this registration will at all times be put to beneficial use.
